

# CURRICULUM VITAE

---

**LUHAR AMAN M.**

**Mo :( +91)6355221979**

**Email:amanluhar709@gmail.com**

---

## **Objectives:**

Seeking challenging position to utilize my skills, knowledge & abilities in chemical industries & process and technical development which offers professional growth while being resourceful innovative & flexible.

---

## **Overview:**

- Chemical engineer having well tech knowledge in Unit Operation as well as unit process with advanced DCS system.
- Technical knowledge in Nitration process, Distillation Process.
- Hardworking, Honestly & Sincerely in working all condition.
- Strong analytical problem solving, decision making & manpower handling.
- Experience in process control, operations, troubleshooting and optimization.

## **1. Industrial experience:**

- **SATYESH BRINECHEM PVT. LTD. (HAJIPIR KUTCH) ( 14 May To Till date )**  
At present I am working as **DCS Engineer**
- **Kutch chemical industries limited, Gandhidham (20 July 2021 to 5 May 2024 )**
- Experience in **Nitration Process** for manufacture of 2-Ethylhexyl Nitrate.
- Experience in handling high **vacuum distillation column** for separation of paradichlorobenzene and orthodichlorobenzene

## **❖ Job description:**

- ❖ Lerine saporization

- Scrubbing system (vent scrubber & voustic scrubber)
- Liquid bromine production (Packed bed Stripping Cokana),
- Ensuring quality of products during manufacturing.
- To carry out daily production plan to control daily production activities as per the production schedule with DCS system.
- To interact with Q.C., maintenance, utilities, dispatch. To prepare execute shut down planning.
- Handling manpower and production planning with proper safety & good housekeeping.
- Trouble shooting of problem arises during manufacturing process & unit operation like distillation, nitration etc.
- Controlling process parameter, conducting process & equipment validation.
- Responsible for safe shutdown and startup of plant operation

❖ **Equipment handling:**

Vacuum distillation column, Reactor, vacuum pump, ejector system, AOD pump, centrifugal pump.

❖ **Chemical handling:**

**Organic Chemical :**

2-E.H.A., 2-E.H.N., PDCB and ODCB.

**Acid Chemical :**

98% sulfuric acid, nitric acid , 80%spent acid.

**2. Academic qualifications:**

- Diploma in chemical complete with **8.68 CGPA** 2021 from Ganpat University (Maheshana )
- S.S.C. passed with **80%** in 2019 from Gujarat secondary education board.

**3. Computer knowledge**

- DCS (ABB micro system 800\*A5.1) handling for continuous chemical operation.
- MS excel, MS word, MS PowerPoint etc.

**4. Personal details:**

Name : Luhar Aman  
Father name : Luhar MahamdFaruk  
Date of birth : 15/04/2002  
Language known : Gujarati, Hindi, English  
Marital status : Unmarried  
Address : Industries area, near post office Sathamba (383340)  
TA:- Bayad, DIST:- Arvalli

**DECLARATION:**

I hereby declare that all the details mentioned in my above resume are Correct and to the best of my knowledge and belief.

**(LUHAR AMAN F.)**
