9610377077

Banswara, Rajasthan 327001

OBJECTIVE

To leverage my foundational knowledge in computer science and problem-solving skills in a challenging role within a growth-oriented organization. I aim to apply my technical expertise in programming, software development, and data analysis to contribute to innovative projects, while continuously developing my skills in emerging technologies. Eager to be a valuable team player and drive impactful results in a dynamic tech environment
