

VRAJ PRAJAPATI

Chemical Engineer

EXPERIENCE

CHEMICAL ENGINEERING INTERN. 06/2023 - 07/2023
BASF India Limited, Dahej, Gujarat

Collaborated within the EHS department of a Waste Water Treatment Plant (WWTP) on the project titled 'Efficiency of Aeration Tank. Explored various site departments, including PM, EV, EM, and Cellasto.

Computed the overall efficiency of the aeration tank over a specific time frame.

Acquired valuable industrial experience and in-depth knowledge of the EHS department.

Educational History

Pandit Deendayal Energy University, Gandhinagar, Gujarat, 01/2024
B. Tech in Chemical Engineering GPA: 6.1

PARUL INSTITUTE OF ENGINEERING TECHNOLOGY - (PIET-DS), 01/2021
DIPLOMA IN CHEMICAL ENGINEERING - GTU GPA: 7.75

SILVER BELLS ENGLISH MEDIUM SCHOOL, Gujarat, 01/2016
Percentage: 59.5

CERTIFICATIONS

NPTEL: Soil and Water Erosion Engineering, 04/2023

Certificate Of Participation: "Energy Efficient Technologies Leading To Sustainable Innovations And Solutions To Environmental Concerns"
11-12 March 2022

ACCOMPLISHMENTS

One day Training on ENVIRONMENTAL AUDIT-CASE STUDIES,
03/03/2020

LANGUAGES

- English
- Gujarati
- Hindi

Professional Overview

A budding Chemical Engineering enthusiast seeking opportunities within the chemical industry to launch my career in the industrial sector.

As a professional in this field, I aspire to improve my professional communication, presentation skills, and network.

I am open to engaging in solution-oriented industrial communication, embracing learning opportunities, and adapting to changes.

SKILLS

- Microsoft Excel
- Microsoft Word
- DWSIM
- CHEMCAD
- AUTOCAD
- MATLAB

 Gandhinagar, Gujrat 382006
