Objective

To attain professional excellence at work place and do justice my career at every stage of its development while utilizing my interpersonal, communications, research and analytical skills.

Education

April 2016	Government Polytechnic College, Machilipatnam Diploma in mechanical engineering 77.0%
March 2013	Government High School SSC 78.0%

Skills

Computer fundamental, MS Office

Experience

November 2016 - November 2018	Wipro infrastructure engineering Diploma Engineer Trainee Wipro infrastructure engineering, Hindupur Wipro is a private firm which is manufacturers of hydraulic cylinders & Rods for double acting cylinders, single acting cylinders, Telescopic cylinder etc, it is a world largest independent hydraulic cylinder manufacturing company. Wipro infrastructure engineering
December 2018 - October 2019	Associate Engineer Trainee (Shift Supervisor)Wipro infrastructure engineering, Hindupur Wipro is a private firm which is manufacturers of hydraulic cylinders & Rods for double acting cylinders, single acting cylinders, Telescopic cylinder etc, it is a world largest independent hydraulic cylinder manufacturing company Amara Raja batteries Ltd
November 2019 - August 2020	Junior engineer (Shift Supervisor) Amara raja is a private firm which is manufacturers of batteries for automotive vehicle like bikes, cars, etc., Wipro infrastructure engineering
September 2020 - March 2021	Fixed Term Employee(Shift supervisor) Wipro infrastructure engineering, Hindupur Wipro is a private firm which is manufacturers of hydraulic cylinders & Rods for double acting cylinders, single acting cylinders, Telescopic cylinder etc, it is a world largest independent hydraulic cylinder manufacturing company Wipro infrastructure engineering
March 2021 – April 2022	Assistant engineer Wipro infrastructure engineering, Hindupur Wipro is a private firm which is manufacturers of hydraulic cylinders & Rods for double acting cylinders, single acting cylinders, Telescopic cylinder etc, it is a world largest independent hydraulic cylinder manufacturing company
May2022 – Till date	MRF LIMITED Junior engineer(Shift incharge) MRF Limited, ankenpally. MRF is a private firm which is manufacturers of tiers for all vehicle , like car, bike, bus, aero plan, etc., it is one of the largest Tire manufacturer company in India

Rolls and Responsibilities in HINDUPUR WIPRO

- 1) Achieving the shift output as per the plan.

- 2) Maintain machine management as per the plan including CLIT.

- 3) Trouble Shooting In CNC turning centre and Robo Minor Problems.

Rolls and Responsibilities in HINDUPUR WIPRO

1. Handling a shift in backhoe loader production individually.
2. Altering turning program in all CNC machines
3. Creating Deflash program in all CNC machines
4. Profile Prove Out as per the drawing
5. Problem solving and analyzing skill of all shop floor issue in the shift.
6. Monitoring Hourly production report of all machine and taking appropriate corrective action to meet daily SCN target
7. Maintaining Tools consumption as per budget.
8. TPM Member in SLEW line
9. TPM Member in Centre Less Polishing
10. Maintain 5S in Shop Floor

Rolls and Responsibilities in Amara Raja Batteries Ltd :

1. Handling a shift production individually.
2. Problem solving and analyzing skill of all shop floor issue in the shift.
3. Monitoring Hourly production report of all machine and taking appropriate corrective action to meet daily target
4. Maintaining Tools consumption as per budget
5. Maintain 5S in Shop Floor.

8. Maintain 5S in Shop Floor

Rolls and Responsibilities in MRF

1 Handling a shift production individually.

2 Problem solving and analyzing skill of all shop floor issue in the shift.

3 Monitoring Hourly production report of all machine and taking appropriate corrective action to meet daily target

1. Maintain 5S in Shop Floor

2. Control the rejection from all department and increase the OE%

Achievements & Awards

BEST KAIZEN : REDUCED CYCLE TIME

BEST KAIZEN : CNC THREAD REWORK COMPLETE IN IN-HOUSE ONLY

BEST KAIZEN : CHANGE THE DESIGN OF ARMS IN POLISHING MACHINE

I HAVE 7 WIN STAR CERTIFACTES RELATED TO PRODUCTION AND QUALITY

I HAVE SIX SIGMA WHITE BELT

I HAVE SIX SIGMA YELLOW BELT

I HAVE CNC AND ROBATICS PROGRAMING CERTIFACTES

Personal Details

Date of Birth : 11th Mar 1998

Marital Status : Single

Nationality : Indian

Father's Name : Mr. Srinivas Rao M

Gender : Male

Language known : English, Tamil, Telugu, Hindi
